" Undavadi Narasinga Rao, Shanbhog and Land-holder, present.
" Gundappa, Shanbhog and Land-holder, present.
" Madappa, Inamdar, present.
" Hussain Ali Beg, retired Amildar, absent.

1. The following Government Proceedings were read and recorded :—

(i) Government Order No. 3783-97—L. B. 357-92-34 of the 9th November 1906, declining to sanction the proposal of the Senior Surgeon to convert the in-patient wards attached to the Local Fund Dispensaries into quarters for Hospital Assistants.

(ii) Government Order No. 4100-8—L. F. 131-06-2 of the 19th November 1906, laying down that Vaidyasalas should be under the control of Amildars, subject to the general supervision of the District Medical and Sanitary Officer.

2. Read Government Order No. 3995-7—Ml. 392-05-10 of the 16th November 1906, desiring to know what amount will be contributed by the District Board for the sanitary improvements of the Seringapatam town.

Resolved that the Government be requested to get up an estimate for the work by the Sanitary Engineer before the question of the contribution from the District Fund Board be decided.

3. Read Subject No. 239 of Dasara Representative Assembly Proceedings of 1906 :—

Roads leading to certain estates now maintained from District Funds should be given up.

Resolved that Government be informed that the Board is of the same opinion.

4. Read Subject No. 228 of Dasara Representative Assembly Proceedings of 1906 :—

The patel of a Village Union should not be a pound-keeper.

Resolved that the existing practice is sound and be adhered to.

5. Read Subjects Nos. 218 and 221 of Dasara Representative Assembly Proceedings of 1906, regarding the setting up of a certain portion of the District Funds for the sanitary improvement of villages.

Resolved that a separate formation of funds for the purpose is uncalled for, as the Board is now doing all that is possible in this direction.

6. Read Subject No. 231 of the Dasara Representative Assembly Proceedings of 1905, proposing that the pound-keepers may be allowed to retain with them the feeding charges of impounded cattle without remitting the same to the Treasury.

The Board learning that the practice prior to Government Proceedings of 1894 was in accordance with this proposal, resolved that the old practice be revived, as the pound-keepers will be in a better position to feed the impounded cattle.

7. Read Subject No. 230 of the Dasara Representative Assembly Proceedings of 1905, recommending that the rate of fine on impounded goats may be raised.

Resolved that the rate of fine may be raised from one to two annas, as the damage done to crops and plants by goats are more injurious than that done by a cow, on which a fine of four annas is levied.

8. Read Subject No. 223 of the Dasara Representative Assembly Proceedings of 1906 requesting that the Village Sanitation Rules may be made applicable to villages containing 50 houses.

The Board is of opinion that the time has not yet arrived for this proposal being given effect to for the present.

9. Read Subject No. 211 of the Dasara Representative Assembly Proceedings of 1906, suggesting that the maintenance charges of District Fund roads may be paid from the Provincial Funds.

Resolved that such a general proposition is neither called for nor reasonable but that in special cases the facts may be submitted to the favorable consideration of Government.

10. Read Subject No. 213 of Dasara Representative Assembly Proceedings of 1905, suggesting that roads may be opened out in villages containing more than 100 houses.

Resolved that the Board opines that this is not feasible for want of funds. The Board also observes that this work has to be done by the villagers themselves.

11. Read Subject No. 222 of Dasara Representative Assembly Proceedings of 1906, suggesting that the Village Sanitation Rules may be enforced in all villages.

Resolved that this is not called for.

12. Read Subject No. 369 of Dasara Representative Assembly Proceedings of 1906, recommending the entertainment of a special Sub-Overseer to complete the incomplete works of the Nanjangud Taluk.

Resolved that the entertainment of a special man for this purpose was not only superfluous but unnecessary seeing that there are the Work and Tank Inspectors whose services are at the disposal of the Amildar.

13. Read Subject No. 374 of Dasara Representative Assembly Proceedings of 1906, recommending the opening of a cart-track from the 14th mile of the Mysore-T.-Narsipur road *via* Chidaravalli, Kalkuni and other places.

Resolved that the cart-track in question is not necessary.

14. Read Subject No. 380 of Dasara Representative Assembly Proceedings of 1906, requesting that repairs may be done to the road from Seringapatam to Tuppasuru.

Resolved that the maintenance of this road at the cost of public funds is not necessary.

15. Read docket No. 6576 of the 24th January 1907, from the Secretary to the Government in the General and Revenue Departments, requesting to be informed whether the District Board is willing to transfer the amount in favor of the Saligram Union on the 30th June 1906, to the Municipal Board formed there on the next day.

Resolved that the Board is willing to re-transfer the unexpended balance on the 30th June 1906 to the reconstituted Municipality.

16. Read letter No. 52-483 of the 21st January 1907, from the Chief Engineer of Mysore, requesting to know whether the District Board would maintain the Punjur-Bidaguli road.

Resolved that the Board is not prepared to do this.

17. Read Mysore Division Executive Engineer's docket No. 1275 of the 21st November 1906, forwarding an estimate amounting to Rs. 1,018 for repairing the bund of the Gowdakere tank, over which the Bangalore-Mysore road runs.

The Executive Engineer having explained that the work proposed is necessary in the interests of the safety of the road, the Board resolved that the estimate be approved and the amount required be recommended as an additional grant.

18. Read Mysore Division Executive Engineer's docket No. 42 of the 12th January 1907, forwarding an estimate amounting to Rs. 365 for the special repairs of Nanjangud-Narsipur road.

Resolved that the amount required be sanctioned as an additional grant.

19. Mysore Division Executive Engineer's docket No. 1390 of the 26th December 1906, forwarding a reappropriation statement of the budget grant for the current year; also his letter No. 144 of the 15th February 1907 proposing certain modifications in the above reappropriation statement, and requesting that an additional grant of Rs. 2,000 for repairing certain 3rd class travellers' bungalows be sanctioned.

Resolved that the amended reappropriation statement be approved and that an additional grant of Rs. 1,500 be sanctioned for the bungalow repairs as it was stated by the Executive Engineer that the buildings, if left unrepaired in the current year, might cost the Board more.

20. Read Senior Surgeon's docket No. 4267 of the 29th December 1906, forwarding a statement showing the names of dispensaries that are in need of repairs.

Resolved that the quota of cost payable therefor, from the District Funds be provided for in the next year's budget.

21. Read Senior Surgeon's docket No. 4370 of the 4th January 1907, recommending the grant of an allowance of Rs. 3 per mensem to the servant who helps the Hospital Assistant at Talkad in the T.-Narsipur Taluk.

Resolved that the proposal be deferred till the question of establishing a branch dispensary at the place, which is now before the Government, is disposed of.

22. Read District Medical and Sanitary Officer's memo No. 2501 of the 11th January 1907, proposing the construction of in-patient wards to the Local Fund Dispensary at Nagamangala.

Resolved that the proposal be sanctioned with the observation that the quota of cost payable for the work from the District Funds be provided for in two successive years' budgets.

23. Read District Medical and Sanitary Officer's memo No. 2429 of the 9th January 1907, recommending the construction of a compound wall or a wire fence around the dispensary at Malvalli.

Resolved that the Board does not see any necessity for this work.

24. Read yadi No. 102 of the 11th January 1907, from the Assistant Commissioner of the Hunsur Sub-Division, forwarding an estimate amounting to Rs. 2,396 for constructing a rest-house at Hanagode in the Hunsur Taluk.

Resolved that there exists no necessity for this work.

25. Read Hunsur Sub-Division Officer's letter No. 140 of the 10th January 1907, suggesting the purchase of a set of boring-tools for the District Board estimated to cost Rs. 600.

The Executive Engineer having explained that the carriage of these tools from place to place would not only be cumbersome, but cost much, and that an establishment specially trained for setting up and working this would be required, the Board resolved that the proposal might be dropped.

26. Read correspondence ending with Hunsur Taluk Amildar's report No. 52 of the 28th November 1906, forwarding an estimate amounting to Rs. 192 for repairing a tank at Halaganahalli.

It having been reported that the tank water is mostly used for drinking purposes, the Board resolved to sanction the estimate from the District Funds.

27. Read Yedatore Taluk Amildar's report No. 184 of the 13th November 1906, submitting proposals for the formation of a Union at Tippur.

Resolved that the proposal of the Amildar be recommended for the sanction of Government.

28. Read Mysore District Forest Officer's No. 434 of the 27th November 1906, recommending the holding of a shandy at Antersante in the Heggaddevankote Taluk.

Resolved that the recommendation be approved and submitted to Government for sanction.

29. Read resolution of the District Board, dated the 10th November 1906, regarding the holding of a cattle show at Hemagiri in the Krishnarajpete Taluk, during the jatra occasion.

Resolved that the proposal be sanctioned tentatively that, as in the case of the Chunchinkatte cattle fair half the amount required for the distribution of prizes be provided for in the next year's budget and that the Government be requested to meet the other half from the realization of fees which are being credited to Muzrai Funds.

30. Read petition dated the 16th December 1906, from the inhabitants of Konanur in the Nanjangud Taluk, praying that a road may be opened from Konanur to Santemarahalli.

Resolved that the petitioners might be informed that the Board does not consider it necessary to form this road from the funds at its disposal. If the villagers do all the necessary earthwork, the Board will then consider if any grant could be made for the construction of road drains or tunnels.

31. On the motion of the President, it was resolved that the construction of rest houses at the Yaliyur and Hanakere Railway Stations in the Mandya Taluk, for which estimates each amounting to Rs. 495 were sanctioned in November last, be stopped pending further investigation as to the necessity or otherwise of the buildings.

32. The list of works sanctioned by the President out of the budget grant from the 10th November 1906 to the 15th February 1907 was read and approved.

33. It was resolved that the resolution of the Krishnarajpete Taluk Board, dated the—— January 1907, to the effect that the French Rocks Station-Nellegire road and Seringapatam-Channarayapatna road be maintained by Government from Provincial Funds, might be recommended for the favorable consideration of Government as these roads were of sufficient importance to be maintained by the Public Works Department out of their budget allotments

34. The Amildar of Krishnarajpete Taluk having reported that earthwork to the value of Rs. 8,939 to Akkihebbal-Mandagere road and to Santebachahalli-Nagamangala road has been done by the raiyats in his taluk, it was resolved that the Board do record their sense of appreciation and that the same be communicated to the villagers concerned through the Amildar.

35. Read District Fund Budget estimates for the year 1907-08 together with an explanatory memo prepared thereon.

Resolved (1) that the income as estimated be passed; (2) that the grant for the public works to be executed by the Public Works Department be given as per requisition of the Executive Engineer; (3) that the works proposed by the several Taluk Boards be modified as shown in Appendices B & C—2; (4) that the provision on account of the peons to Work Inspectors be omitted; (5) that the allowance provided for the native physician at Hura be distributed among the two, one at Hura and the other at Kalalay at the rate of Rs. 8 and Rs. 7 respectively; (6) that the provision under "IX Contribution" be raised by Rs. 485 as per resolutions of the Board (*vide* paras——*supra*); and (7) that the provision for the purchase of Amrut Mahal bulls be passed.

36. *Resolved* that the next meeting of the Board be held at 3 P. M. on Saturday the 18th May 1907.

M. KANTHARAJ URS,
Presdt. of the Dist. Board.

Notification dated 20th March 1907.

Applications will be received by the undersigned up to 30th April 1907 from candidates, for the posts of three Assistant Sanitary Inspectors, each on a salary of Rs. 20 rising to Rs. 25 by annual increment of one rupee, with a horse allowance of Rs. 10 per mensem.

The applicants should possess the following qualifications:—

(1) Must have passed the Matriculation Examination.

(2) Must have passed in Sanitation.

(3) Must possess a good knowledge of Kannada.

(4) Must have undergone training under an Executive Engineer and be able to produce a certificate that he possesses a fair knowledge of the work of an out-door subordinate of the Public Works Department.

M. KANTARAJ URS,
President, Dist. Board.
